

# INDEX TO VOLUME 65

## A

- ABBISS, J. W. and MacIntosh, O. C., Note on a degenerative lesion of breast arteries 147.
- ABDOMEN, pain, the radiologist and epigastric pain [Broome] 569.
- ACCIDENTS in children [Collins-Williams] 531.
- ACID, folic: See Vitamins, B.
- glutamic, plasma glutamic acid levels in malignancy [Beaton and others] 219.
- ACTH: See Pituitary Preparations.
- ADDISON'S DISEASE, adrenal cortical insufficiency: psychological and neurological observations [Cleghorn] 449.
- ADENOCARCINOMA: See Cancer; and under organs and regions.
- ADRENALS, insufficiency, adrenal cortical insufficiency: psychological and neurological observations [Cleghorn] 449.
- insufficiency in childhood [Mullinger and Chute] 353.
- ADRENAL PREPARATIONS, studies on the excretion of cortisone and compound F using the Porter-Silber method [Carroll and others] 363.
- effects, ACTH and cortisone in the treatment of acute leukaemia [Cameron and others] 552.
- ACTH and cortisone in the treatment of leukaemia in children [Darte and others] 560.
- ACTH and cortisone in the treatment of pemphigus erythematosus [Kane and others] 564.
- chorea gravis (Sydenham's chorea) treated with cortisone and ascorbic acid [Schwarz] 150.
- cortisone in the treatment of acute rheumatic fever [Rathbun and others] 113.
- paradoxical behaviour of the erythrocyte sedimentation rate in cortisone therapy [Bagnall] 125.
- pemphigus vulgaris treated with cortisone acetate [Polson and others] 471.
- prolonged euphoria with cortisone [Robinson] 361.
- the effect of cortisone on the nephrotic syndrome occurring in diabetics [Holmes and others] 26.
- AIKENHEAD, J. F.: See Ormsby, H. L., jt. auth.
- ALCOHOL, in Blood: See Blood, alcohol.
- ALCOHOLISM, chemical tests for intoxication (C) [Merkeley] 275.
- is alcoholism a medical problem? (C) [Macdonnell] 274.
- ALLISON, F. G. and PENNER, D. W., Paget's disease of skull with basilar invagination (platybasia) and internal hydrocephalus 476.
- AMMONIA and AMMONIUM COMPOUNDS, the hexamethonium compounds in the treatment of hypertension [Fullerton and Milne] 302.
- AMOEBCIC, aureomycin in amoebic dysentery [Gilchrist] (C) 601.
- AMPUTATION, for ischaemic arterial disease of the leg [Luke] 343.
- ANÆMIA, PERNICIOUS, therapy, maintenance treatment with liver extract [Cameron and others] 241.
- ANÆSTHESIA, aspects of [Griffith] 523.
- general, anaesthesia for peroral endoscopy [Scharfe] 134.
- the rôle of the anaesthesiologist in the management of intractable pain [Bonica] 103.
- ANDERSON, W.: See Armstrong, A. R., jt. auth.
- ANEURYSM, abdominal aortic [Gold] 427.
- ANGINA PECTORIS, the treatment of angina pectoris [Palmer] 207.
- therapy, triethanolamine trinitrate (metamine) in the treatment of angina pectoris: a preliminary report [Palmer and Ramsey] 17.
- ANGLIN, C.: See Silverthorne, N., jt. auth.
- ANTIBIOTICS, antibiotics and chemotherapy (E) 68.
- ANTLE, JOHN (E) [Kidd] 484.
- APPENDIX, cancer, primary adenocarcinoma of the appendix [Smith] 260.
- ARMSTRONG, A. R., The laryngeal swab specimen in the cultural diagnosis of pulmonary tuberculosis 575.
- ARMSTRONG, A. R., ANDERSON, W. and LEE, J. H., Sternal marrow aspiration in miliary tuberculosis 468.
- ARMSTRONG, L. T., Obstetrical problems in general practice 221.
- ARONOVITCH, M.: See Lewin, N., jt. auth.
- ART, physicians' art salon (E) 162.
- ARTERIES, calcification, note on a degenerative lesion of breast arteries [Abbiss and MacIntosh] 147.
- diseases, amputation for ischaemic arterial disease of the leg [Luke] 343.
- ARTHRITIS, therapy, marisone in the treatment of [Durivage] 119.
- ASCITES, strongyloidiasis with gross ascites [Goldberg and Lymburner] 152.
- ASCORBIC ACID, therapy, chorea gravis (Sydenham's chorea) treated with cortisone and ascorbic acid [Schwarz] 150.

- ASZKANAZY, C. L., BARRIE, H. J. and CROOKSTON, J. H., Systemic blastomycosis 55.
- ATHLETES, feeding of (C) [Bender] 497.
- ATROPHY, muscular, infantile spinal progressive muscular atrophy in twins [Poirier and others] 342.
- AUDET, J.: See Pichette, H., jt. auth.
- AUREOMYCIN in amoebic dysentery [Gilchrist] (C) 601.

## B

- BACKACHE, etiology and pathogenesis, concept and management of low backache [Parsons] 43.
- BACTERIA, enterococci, subacute enterococcal endocarditis [Roberts and Goldberg] 53.
- BAGNALL, A. W., Paradoxical behaviour of the erythrocyte sedimentation rate in cortisone therapy 125.
- BAIRD, M. M.: See Holmes, C. B., jt. auth.
- BAKER, C. E.: See Dewar, R. K., jt. auth.
- BALFOUR, D. C., The Lister epoch in medicine 431.
- BARRIE, H. J.: See Aszkanazy, C. L., jt. auth.
- BEATON, J. R., MCGANITY, W. J. and MCHENRY, E. W., Plasma glutamic acid levels in malignancy 219.
- BEAUCHAMP, L. E. and BENJAMIN, B., Cerebrospinal fluid rhinorrhoea and recurrent purulent meningitis 372.
- BEDPAN, escape from the [Roberts] 595.
- BELL, R. E.: See Gilbert, J. A. L., jt. auth.
- BENJAMIN, B.: See Beauchamp, L. E., jt. auth.
- BENZOTHAZOL, "In vitro" studies on the fungistatic powers of a new benzothiazol and an antistaminic compound [Seale] 582.
- BERESFORD, O. D., The manifestations of sarcoidosis 245.
- BERRY, N. E.: See Davey, P. W., jt. auth.
- BERTALANFFY, F. D.: See Leblond, C. P., jt. auth.
- BERTRAND, C., The management of acute head injuries 225.
- BEST, C. H.: See Kenny, A. J., jt. auth.
- BIGELOW, W. G., FLEMING, J. F. R. and GORNALL, A. G., The management of surgical shock in the poor risk patient 37.
- BINGHAM, J., The treatment of peptic ulcer in general practice 312.
- BLANK, F.: See Craig, G. E., jt. auth.
- BLACK, R. W.: See Polson, J. S., jt. auth.
- BLASTOMYCOSIS, systemic [Aszkanazy and others] 55.
- BLOOD, alcohol, blood alcohol levels and intoxication [Rabinowitch] (C) 72.
- alcohol, blood alcohol levels in relation to driving [Smith and Popham] 325.
- pressure: See Blood Pressure.
- sedimentation, paradoxical behaviour of the erythrocyte sedimentation rate in cortisone therapy [Bagnall] 125.
- BLOOD PRESSURE, observations on blood pressure estimation [Osbaldeston and Stuart] 65.
- high, therapy, the hexamethonium compounds in the treatment of hypertension [Fullerton and Milne] 302.
- BLOOD TRANSFUSION, intra-arterial transfusion [McKenzie and Morton] 95.
- BONICA, J. J., The rôle of the anaesthesiologist in the management of intractable pain 103.
- BRAIN, surgery, bilateral prefrontal leucotomy in mental illness [Lindsay] 229.
- BREAST, diseases, note on a degenerative lesion of breast arteries [Abbiss and MacIntosh] 147.
- BRESNAHAN, T. J., Cirrhosis and myxoedema 146.
- BRESNAHAN, T. J. and BROWN, F. N., Neurilemmoma of stomach wall with peptic ulcer 259.
- BROOME, A. E., The radiologist and epigastric pain 569.
- BROWN, F. N.: See Bresnahan, T. J., jt. auth.
- BUCKWOLD, A. E.: See Poirier, R., jt. auth.
- BURGESS, J. F., Phosphorus sesquisulphide poisoning 567.

## C

- CAMERON, D. G., TOWNSEND, S. R., MILLS, E. S. and MATHEWS, W. H., ACTH and cortisone in the treatment of acute leukaemia 552.
- CAMERON, D. G., TOWNSEND, S. R. and MILLS, E. S., Pernicious anaemia, I, 241.
- CAMERON, G. D. W., Public health work and the physician 478.
- CANADIAN HOSPITAL COUNCIL, extension course available next autumn (E) 68.
- CANADIAN MEDICAL ASSOCIATION, annual meeting in Montreal (E) 156.
- business report 181.
- general practice, minutes of the meeting of the section of general practice 268.
- presidential address [Church] 267.
- CANADIAN MEDICAL PROTECTIVE ASSOCIATION (E) 489.

# INDEX TO VOLUME 65

## A

- ABBISS, J. W. and MacIntosh, O. C., Note on a degenerative lesion of breast arteries 147.
- ABDOMEN, pain, the radiologist and epigastric pain [Broome] 569.
- ACCIDENTS in children [Collins-Williams] 531.
- ACID, folic: See Vitamins, B.
- glutamic, plasma glutamic acid levels in malignancy [Beaton and others] 219.
- ACTH: See Pituitary Preparations.
- ADDISON'S DISEASE, adrenal cortical insufficiency: psychological and neurological observations [Cleghorn] 449.
- ADENOCARCINOMA: See Cancer; and under organs and regions.
- ADRENALS, insufficiency, adrenal cortical insufficiency: psychological and neurological observations [Cleghorn] 449.
- insufficiency in childhood [Mullinger and Chute] 353.
- ADRENAL PREPARATIONS, studies on the excretion of cortisone and compound F using the Porter-Silber method [Carroll and others] 363.
- effects, ACTH and cortisone in the treatment of acute leukaemia [Cameron and others] 552.
- ACTH and cortisone in the treatment of leukaemia in children [Darte and others] 560.
- ACTH and cortisone in the treatment of pemphigus erythematosus [Kane and others] 564.
- chorea gravis (Sydenham's chorea) treated with cortisone and ascorbic acid [Schwarz] 150.
- cortisone in the treatment of acute rheumatic fever [Rathbun and others] 113.
- paradoxical behaviour of the erythrocyte sedimentation rate in cortisone therapy [Bagnall] 125.
- pemphigus vulgaris treated with cortisone acetate [Polson and others] 471.
- prolonged euphoria with cortisone [Robinson] 361.
- the effect of cortisone on the nephrotic syndrome occurring in diabetics [Holmes and others] 26.
- AIKENHEAD, J. F.: See Ormsby, H. L., jt. auth.
- ALCOHOL, in Blood: See Blood, alcohol.
- ALCOHOLISM, chemical tests for intoxication (C) [Merkeley] 275.

## C

- CAMERON, D. G., TOWNSEND, S. R., MILLS, E. S. and MATHEWS, W. H., ACTH and cortisone in the treatment of acute leukaemia 552.
- CAMERON, D. G., TOWNSEND, S. R. and MILLS, E. S., Pernicious anaemia, I, 241.
- CAMERON, G. D. W., Public health work and the physician 478.
- CANADIAN HOSPITAL COUNCIL, extension course available next autumn (E) 68.
- CANADIAN MEDICAL ASSOCIATION, annual meeting in Montreal (E) 156.
- business report 181.
- general practice, minutes of the meeting of the section of general practice 268.
- presidential address [Church] 267.
- CANADIAN MEDICAL PROTECTIVE ASSOCIATION (E) 489.

- CANCER, etiology and pathogenesis, primary adenocarcinoma of the appendix [Smith] 260.  
resolution adopted on classifications of cervical cancer 66.  
therapy, carcinoma of the uvula [Tremble and Lockhart] 50.  
tobacco and pulmonary cancer (E) 266.
- CANDIDA albicans: See Moniliasis.
- CAPPON, D., Some psychosomatic aspects of injuries 321.
- CARCINOMA: See Cancer; and under organs and regions.
- CARDIOVASCULAR SYSTEM, effects of drugs on, cardiovascular effects of triethanolamine trinitrate—an experimental study [Melville and Lu] 11.
- CAROTID BODY tumour [Dobson and MacKenzie] 470.
- CARROLL, K. K., McALPINE, H. T. and NOBLE, R. L., Studies on the excretion of cortisone and compound F using the Porter-Silber method 363.
- CEREBROSPINAL FLUID rhinorrhoea and recurrent purulent meningitis [Beauchamp and Benjamin] 372.
- CHEMOTHERAPY (E) 596.
- CHILDREN, accidents in [Collins-Williams] 531.
- ACTH and cortisone in the treatment of leukæmia in children [Darte and others] 560.  
adrenal insufficiency in childhood [Mullinger and Chute] 353.  
follic acid antagonists in the treatment of leukæmia in children [Laski and others] 556.  
leukæmia in [Rodgers and others] 548.
- CHOREA gravis (Sydenham's chorea) treated with cortisone and ascorbic acid [Schwarz] 150.
- CHURCH, H. B., presidential address 267.
- CHUTE, A. L.: See Kenny, A. J., jt. auth.  
See Mullinger, M., jt. auth.  
See Swallow, K. A., jt. auth.
- CHYLOTHORAX [Schaffner and Kirkpatrick] 121.  
spontaneous chylothorax with recovery [Crassweller] 257.
- CLEGHORN, R. A., Adrenal cortical insufficiency: psychological and neurological observations 449.
- COLLINS-WILLIAMS, C., Accidents in children 531.
- COPEMAN, W. J., Tetanus reaction 471.
- CORBET, R. C. B.: See Poirier, R., jt. auth.
- CORTISONE: See Adrenal Preparations.
- CRAIG, G. E., BLANK, F. and DANBY, C. W. E., Tinea capitis due to species of the genus trichophyton 480.
- CRAMER, H. I., Diabetes mellitus and pregnancy 328.
- CRASSWELLER, H., Spontaneous chylothorax with recovery 257.
- CROOKSTON, J. H.: See Aszkanazy, C. L., jt. auth.

## D

- DANBY, C. W. E.: See Craig, G. E., jt. auth.
- DARTE, J. M. M., SNELLING, C. E., LASKI, B., JACKSON, S. H. and DONOHUE, W. L., ACTH and cortisone in the treatment of leukæmia in children 560.
- DARTE, J. M. M.: See Laski, B., jt. auth.
- DAVEY, P. W. and BERRY, N. E., Intramedullary spinal abscess co-incident with spinal anaesthesia 375.
- DAVID, P. and GAGNON, E., Some observations on the surgical treatment of mitral stenosis 409.
- DEAFNESS, therapy, experience with plastic inserts for middle ear deafness [Fee] 594.
- DEATH, the care of the dying [Hebb] 261.
- DE CHAULIAC, Guy, the surgery of [Murphy] 68.
- DEGENERATION, the course of subacute combined degeneration of the spinal cord [Hyland and others] 295.
- DEMENTIA, senile, a new explanation of its causation [Fisher] 1.
- DE PAPE, A. J. and McEWEN, D. S., Staphylococcal pneumonia and pyoderma in infancy 439.
- DERMATITIS, schistosome, in Quebec [Miller and Munroe] 571.
- DEWAR, R. K. and BAKER, C. E., A giant melanotic mole 590.
- DIABETES MELLITUS, a study of the prevalence of diabetes in an Ontario community [Kenny and others] 233.  
electroencephalographic studies in diabetes mellitus [Wilson] 462.  
etiology and pathogenesis, studies on the pathogenesis of diabetes [Lukens] 334.  
in pregnancy, diabetes mellitus and pregnancy [Cramer] 328.  
the effect of cortisone on the nephrotic syndrome occurring in diabetics [Holmes and others] 26.
- DICKISON, J. C., Palliative gastrostomy for inoperable carcinoma of the oesophagus 35.
- DIURESIS and DIURETICS, mercurial diuretics by subcutaneous route 66.
- DIZZINESS, a symposium [Stuart and others] 383.
- DOBSON, A. and MacKENZIE, W. C., Carotid body tumour 470.

- DONOHUE, W. L.: See Darte, J. M. M., jt. auth.  
See Laski, B., jt. auth.  
See Rodgers, C. L., jt. auth.
- DURIVAGE, J., Marisone in the treatment of arthritis 119.

## E

- EAR, middle, experience with plastic inserts for middle ear deafness [Fee] 594.
- ENDOCARDITIS, infectious, subacute enterococcal endocarditis [Roberts and Goldberg] 53.
- ENDOSCOPY, anaesthesia for peroral endoscopy [Scharfe] 134.
- ENTEROCOCCI: See bacteria, enterococci.
- EUPHORIA, prolonged euphoria with cortisone [Robinson] 361.
- EYES, diseases, neuromyelitis optica [Israels] 587.

## F

- FAINTING: See Syncope.
- FARQUHARSON, R. F.: See Hyland, H. H., jt. auth.
- FEE, G. A., Experience with plastic inserts for middle ear deafness 594.
- FIBROSITIS: See Rheumatism, therapy.

MURPHY, G. H., The surgery of Guy de Chauliac 63.  
MURRAY, G., The surgical treatment of mitral stenosis 307.  
MURRAY, R. G.: See Ormsby, H. L., jt. auth.

MUSCLES, atrophy: See Atrophy, muscular.  
scalenus, the scalenus minimus muscle [Lawson and McKenzie] 359.  
spontaneous rupture of the right rectus muscle [Keller] 149.

MYXEDEMA, cirrhosis and myxoedema [Bresnahan] 146.

## N

NADEAU, G., Simpler methods for the average laboratory 318.

NEPHROCALCINOSIS [Ostry] 465.

NEUROSES and PSYCHONEUROSES, surgical procedures and neurotic illness [Straker] 128.

NITRITES and NITRITE DERIVATIVES, triethanolamine trinitrate, cardiovascular effects of triethanolamine trinitrate—an experimental study [Melville and Lu] 11.

triethanolamine trinitrate (metamine) in the treatment of angina pectoris. A preliminary report [Palmer and Ramsey] 17.

NATIONAL HEALTH, partnership of the state, the medical professions and the community [Page] 378.

NEPHRITIS, glomerular, the effect of cortisone on the nephrotic syndrome occurring in diabetics [Holmes and others] 26.

NEUFELD, A. H.: See Frankenberg, B., jt. auth.

NEURITIS, optica, neuromyelitis optica [Israels] 587.

NEUROMYELITIS OPTICA: See Neuritis, optica.

NEVI, a giant melanotic mole [Dewar and Baker] 590.

NOBLE, R. L.: See Carroll, K. K., jt. auth.

NOSE, discharge, cerebrospinal fluid rhinorrhoea and recurrent purulent meningitis [Beauchamp and Benjamin] 372.

fractures, diagnosis and treatment of recent and neglected nasal fractures [Miller] 348.

## O

OBSTETRICS, obstetrical problems in general practice [Armstrong] 221.

ŒSOPHAGUS, cancer, palliative gastrostomy for inoperable carcinoma of the œsophagus [Dickison] 35.

rupture of the [Strong and others] 455.  
surgery, supra-aortic œsophagectomy [Winter and Spencer] 123.

OSBALDESTON, J. B. and STUART, C. K., Observations on blood pressure estimation 65.

OSTRY, H., Nephrocalcinosis 465.

## P

PAGE, EARLE SIR, Partnership of the state, the medical professions and the community 378.

PAGET'S DISEASE of skull with basilar invagination (Platybasia) and internal hydrocephalus [Allison and Penner] 476.

PAIN, the rôle of the anæsthesiologist in the management of intractable pain [Bonica] 103.

PALMER, J. H., The treatment of angina pectoris 207.

PALMER, J. H. and RAMSEY, C. G., Triethanolamine trinitrate (metamine) in the treatment of angina pectoris. A preliminary report 17.

PARSONS, W. B., Concept and management of low back-ache 43.

PATIENTS: See physicians, relation to patient.

PATTEE, C. J.: See Gulton, J. S., jt. auth.

PELLER, J. A. and GULTON, R. W., Death following injection of sodium morrhuate 473.

PEMPHIGUS, therapy, ACTH and cortisone in the treatment of pemphigus erythematosus [Kane and others] 564.

therapy, pemphigus vulgaris treated with cortisone acetate [Polson and others] 471.

PENNER, D. W.: See Allison, F. G., jt. auth.

PEPTIC ULCER, neurilemmoma of stomach wall with peptic ulcer [Bresnahan and Brown] 259.  
therapy, the treatment of peptic ulcer in general practice [Bingham] 312.

PHAIR, W. B., The decline of artificial pneumothorax 542.

PHOSPHORUS sesquisulphide poisoning [Burgess] 567.

PHYSICIANS, labour looks at the medical profession 500.  
minutes of the meeting of the section of general practice 268.

obstetrical problems in general practice [Armstrong] 221.

partnership of the state, the medical professions and the community [Page] 378.

public health work and the physician [Cameron] 478.

relation to patient, medical aspects of civil defense (E) 67.

relation to patient, the patient's viewpoint [Skully] 64.

report of general practice [McCoy] 597.

the general practitioner and his county health unit [Sturgeon] 216.

the physician in civil defence [Wilson] 57.

the problem of refugee doctors (E) 382.

PITUITARY PREPARATIONS, effects, ACTH and cortisone in the treatment of acute leukaemia [Cameron and others] 552.

— ACTH and cortisone in the treatment of leukaemia in children [Darte and others] 560.

— ACTH and cortisone in the treatment of pemphigus erythematosus [Kane and others] 564.

the intravenous use of ACTH [McIntosh and Holmes] 33.

PLASTICS, experience with plastic inserts for middle ear deafness [Fee] 594.

in infants and children, staphylococcal pneumonia and pyoderma in infancy [De Pape and McEwen] 439.

PNEUMOTHORAX, artificial, the decline of [Phair] 542.

POIRIER, R., CORBET, R. C. B. and BUCKWOLD, A. E., Infantile spinal progressive muscular atrophy in twins 342.

POISONING, phosphorus sesquisulphide [Burgess] 567.

POLIOMYELITIS, epidemiology and statistics, studies on poliomyelitis in Ontario [Silverthorne and others] 536.

POLSON, J. S., BLACK, R. W. and PATTEE, C. J., Pemphigus vulgaris treated with cortisone acetate 471.

POLSON, J. S., PATTEE, C. J. and WOOLHOUSE, F. M., Keloid 447.

POPHAM, R. E.: See Smith, H. W., jt. auth.

PORPHYRIN and PORPHYRIN COMPOUNDS, metabolism, acute porphyria [Gilbert and others] 585.

POWELL, R. E., Goldblatt's syndrome due to aberrant renal artery hydronephrosis 145.

PREGNANCY, an unusual case of [Head] 155.

diabetes: See Diabetes Mellitus, in pregnancy.

liver in, familial hæmolytic icterus occurring during pregnancy [Johnson and McAllister] 377.

PRESCRIPTIONS AND PRESCRIBING, the refilling of prescriptions (E) 67.

PROSTATE, surgery, transurethral prostatic resection—1,000 cases [Stewart and Taylor] 29.

PSYCHIATRY, report on the formation of the Canadian Psychiatric Association [Stevenson] 592.

PSYCHOANALYSIS [Viner] 108.

PSYCHOLOGY, some psychosomatic aspects of injuries [Cappon] 321.

PUBLIC HEALTH, public health work and the physician [Cameron] 478.

PYODERMA, staphylococcal pneumonia and pyoderma in infancy [De Pape and McEwen] 439.

## R

RADIOLOGY, the radiologist and epigastric pain [Broome] 569.

RAMSEY, C. G.: See Palmer, J. H., jt. auth.

RATHBUN, J. C., McALPINE, H. and MANNING, G. W., Cortisone in the treatment of acute rheumatic fever 113.
